TCVESSA Directors' Award for VERSATILITY

This award is given to a dog that has earned titles that are a championship title plus a hunting title and a performance title. It shows great versatility for the Springer Spaniel. To qualify, the dog must complete the following:

1. One championship tie – AKC CH MACH, PACH, OTCH FC, NFC or CT Titles
 2. ESSFTA (parent club) WD or WDX or one of the AKC hunting titles (JH, SH, MH)
 3. An Obedience title or Tracking title or Agility title
- The dog's titles must be in two different areas in addition to the hunting or working title. For example if the dog has a MACH title, it must also have a hunting title and obedience or tracking title. Since the dog's championship is in agility the dog's other agility titles cannot be used to qualify for the award.
 - The recipient owner or co-owner must have been a club member at the time all qualifying scores were earned and a club member for the entire calendar year prior to the awards banquet.
 - The dog must be handled to a least one of these titles by the owner or co-owner or a member of either's immediate family.
 - The award will be given to the owner or co-owner who handled the dog to the majority of its titles. The Board will make the final determination in case of question.
 - Should two or more dogs qualify in the same year, the names of all qualifiers will be inscribed and the award will be shared.
 - Any individual dog may be honored only once, and will not re-qualify in subsequent years by obtaining additional degrees or titles.
