ABSENT: Gretta Thorson

UNFINISHED BUSINESS

October 2025 Specialty Update

Cyndi Myhre updated the board with preparations for the upcoming specialty show, which is expected to exceed last year's numbers. Cyndi mentioned that she is waiting for the judging program to be finalized, which is expected by the next day. She also noted that the glass rosettes for prizes are being shipped and the response to the welcome bags has been positive. The group expressed confidence in their preparations, despite some uncertainty about the process, and acknowledged that they are slightly off from their projected numbers.

Cyndi shared the success of the junior only competition, which has attracted six participants. She expressed excitement about the event's financial stability and the positive response from the club's members. She also mentioned that Zoe Anderson will work with some of the juniors to practice showing an English Springer Spaniel this coming Saturday. Cyndi emphasized that while the kids are experienced with multiple breeds, they still need guidance on specific techniques.

Cyndi requested volunteers to set up and teardown, confirming the distribution of welcome bags on Saturday, and mentioned that a group photo would be taken by the photographer. Cyndi confirmed the judging program online. She also mentioned two shop vacs will be available for setup cleanup, asking everyone to vacuum around their area before leaving each night.

- Next Meeting Date: October 30th, at 7:30 PM

ADJOURNMENT: Adjourned: 8:11PM
